Othello

LED Moving Spot 480W COB

Theatrical applications place particularly high demands on movingheads.

The SquareLED Othello proves that these requirements can not only be met by European brand manufacturers. The 480W COB LED Movinghead is equipped with a range of features that can only be found in professional devices: CMY color mixing, 2 bidirectional gobo wheels with variable speed, autofocus, zoom and triple prism. Thanks to the special patented optics, the gobo image is absolutely sharp in the complete zoom range and the image of the lightbeam is completely homogeneous.

Othello LED Moving Spot 480W COB | Code 18628

7000W AC 115V- 230V, 50/60 Hz

Zoom: Linear einstellbar 13°-37°

480W COB LED

IP20

705 x 410 x 308 mm

9 kg

SPECIFICATIONS

- » Power Consumption: 700W
- » Color Temperature: 8000K
- » Color Mixing: CMY, independently variable 0-100%
 - 1 Color Wheel: 7 colors+open,
 - 1 CTO: Color temperature linear change bi-directional rotation at variable speed,
- » Gobo wheel: 2 rotation gobo wheels,
 - 6 interchangeable gobos+open,
 - indexable,
 - bi-directional rotation at variable speed
- » Focus: Automatic focusing
- » Dimmer: 0-100% Linearly adjustable
- » Iris: 0-100% Linearly adjustable
- » Prism: 3 prisms
- » Pan/ Tilt: 540°/ 270°
- » Control mode: DMX512, Auto
- » Channel mode: 26/ 35 channels
