## 200W LED follow spot

Finally we are complete! The last device in professional stage lighting which because of the intense light output could not yet be replaced by LED devices were follow spots - but now it's time!

The SquareLED Entertainer is the entry level model with 200W LED power. The unit is available with either 3200K or 6500K. In order to guarantee a long life of the LED, both a particular form as well as a sophisticated alloy were used for the heat sink. The zoom range is 11° - 18° which means a maximum distance of 30m can be achieved. The operation is done through a LCD display. With handles on the back and side of the housing an ergonomic operation is guaranteed.

A color changing magazine is optional available.

 AC 100-240V/50-60Hz	 11° - 18°
 200W High Power LEDs	 5m - 30m
 840 x 290 x 280 mm	 13 kg

### Technical Data:

- » 16 bit dimming
- » Consumption: 280W
- » Color temperature: 3200K or 6500K
- » Powercon connectors
- » LCD display
- » incl. Iris
