

CAPRICE 19x40W RGBW

WASH ZOOM with Pixel Control

CAPRICE 19x40W

RGBW WASH ZOOM with Pixel Control

SquareLED CAPRICE comes with a smooth, fast and quiet motorized zoom from 6°-60°.

It features 19*40W 4-in-1 RGBW LUMINUS leds with pixel control.

The SquareLED CAPRICE LED wash light is a flicker-free fixture with even, soft edge and pure color mixing coverage.

It provides internal programs, virtual colors, dynamic patterns, static patterns and kinds of pre-programming linear color temperature adjustment options.

CAPRICE 19x40W RGBW | Code 18546

 19pcs*40W 4-IN-1 RGBW LEDs	 810W
 6°-60°	 IP20
 519 × 271 × 597 mm	 23,5kg

SPECIFICATIONS

- » Life span: 50000 hours life span
- » AC90-260V 50/60Hz
- » Control Signal: DMX512 master-slave and sound activated or auto operation
- » Control Channel: 20/14/92/98 DMX channels USITT DMX-512
- » 8/16 Bit smooth, fast and precise PAN/TILT movement (3-phase motor)
- » 630°/540°/360°PAN optional and 270°/180°/90°TILT optional
- » PAN/TILT reversible advantage
- » PAN/TILT calibration available
- » pixel each color and each led controllable individually
- » Color temperature Liner up and down in 2,800-8,000K
- » Even, soft edge and pure color mixing coverage
- » Using the three phase motor provide high speed and smooth scan and eliminate the rotational noise
- » Flicker free sources management
- » Scan position memory, auto reposition after unexpected movement
- » 0-100% Smooth linear LED dimmer
- » 7 built-in default programs for easy operation
- » Different Kinds of pre-programmed macro effects with variable speed
- » Variable speed strobe effect with 1-25 flashes per second
- » Variable pulse and random effects
- » Sound control with sensitivity adjustment
- » Efficient low noise self adjusting fan cooling system
- » Constant temperature readout and management function
- » Over heat protection management
- » Power con IN/ OUT with power switch and fuse
- » 3-Pin DMX connectors IN/OUT
- » DB rating@1M=54.18dB
